

Sock Bunnies Instructions

A Contemporary Arts Adoption & Fostering Project by Jessica Emmett

① It's recommended that a large or longer sock is used.

② Cut off excess heel. It will be used for the tail. stitch inside out

③ Leave enough for the body. Cut off bottom for legs and arms. If you want longer ears, arms or legs another sock may be needed.

④ Body: Turn right way out.

⑤ Tie ears in either a single or double knot.

⑥ shape stuffing in body.

⑦ Tail: Fold. stitch inside out. stuffing turn right way out.

⑧ Feet + Arms: Make the legs longer than the arms. stitch inside out. stuffing turn right way out.

⑩ Use embroidery silk for face.
